Blueprint Reading & Material Take-Off

January 20-21, 2027

Western Building Material Association will be conducting its popular **Blueprint Reading & Material Take-Off Workshop** at the Holiday Inn - Salem, OR. Workshop hours are 8:00 am to 5:00 pm. WBMA's Executive Director, Casey Voorhees, will provide 2 full days of instruction and discussion of residential construction methods, blueprint reading and material take-off. Attendees will receive hands-on experience figuring an actual set of working drawings.

Materials Covered:

Blueprint Reading	Scale Usage	Estimating Formulas
Material Applications	Floor Layout	Wall Framing
Siding & Exterior Trim	Roof Systems	Common, Hip, Valley & Jack Rafters

- Attendees will learn basic blueprint reading by identifying lines, symbols and details while developing an understanding of elevations, floor plans, framing and sectional views.
- Students will be introduced to various residential construction methods and estimating formulas while working on a basic single level home with a trussed roof.

Attendees are required to bring a calculator and pencils

Included: course manual, blueprints, architectural and joist/truss layout scale
